# MODULAR SERIES

## FRONT LOAD CHANGE MACHINES

### The Best Technology & Construction in a Low-Cost Solution

Standard Change-Makers' Modular Series change machines provide the solid cabinet construction of a Standard changer with our popular 'plug & play' technology - featuring the reliable *Smart Hopper Technology*. All this in a low cost solution!

The Modular Series machines feature solid welded, steel cabinets, stainless steel coin cups, T-handle locks and your choice of different brands of bill validators for \$1 through \$20 bill acceptance. Both models also have optional Vending Bases (and Headers for Vending applications) that meet ADA height requirements.

If you are looking for a dependable change machine that will provide years of reliable service, and don't need a lot of "bells & whistles" - These are the perfect models to consider.

#### MODULAR SERIES MACHINE FEATURES
