MC315RL-CCNX — CREDIT ONLY

MC525RL-CCNX — CREDIT ONLY

MC535RL-CCNX — CREDIT & CASH

Give your customers the convenience of Credit Card Use!

Standard Change-Makers, Inc. introduces the Modular Series Credit Card-to-Tokens Change Machines. Now you can offer the convenience of credit cards to your customers with these versatile and secure changers. Using our Modular Series *Smart Hopper* technology, we have designed these machines to be user-friendly, secure and reliable to help you increase the revenues in your self-service business using tokens

Each machine features a choice of card readers & hi-speed, internet-based or cellular-based communications device kits, programmable button selections, EF+ Module for programming changes and audit feedback and an LCD screen to help customers during the transaction process.

MODULAR CREDIT CARD SERIES FEATURES:

CC Reader Kits: Nayax VPOS & AMIT 3.0 or VPOS Touch Kits, USA Technologies ePort & G-10 Kit, and CryptoPay Reader **(Merchant must purchase MDB version kits directly)**

EF+ Module - *with Remote Notification Feature*

LCD Screen provides instructions and feedback

Bill Acceptor(s): Coinco Vantage (default) - $1-$20 Bill Acceptance (*CPI Talos® also available - for MC535RL-CC Only*)

Hopper(s): Galvanized Steel construction with Tilting Base for easy hopper dump operation, without disconnecting power

Hopper Capacity:
One Hopper Models: 5,200 Quarter-sized Tokens
Two Hopper Models: 10,400 Quarter-sized Tokens

Cabinet: Solid-welded Steel (no rivets or spot welds), finished in high gloss powder-coat enamel paint

Stainless Steel Faceplate with applied Lexan™ graphics

Locks: T-Handle "Slam Locks" with Ace™ plugs (Default)

• **Optional Receipt and Audit Printer**
• **Hi-Speed Internet or Cellular Communication** with the Nayax devices. Cellular only with the USA Technologies ePort, and Cryptopay uses proprietary communication that requires the Cryptopay Coordinator.
• **Package, Pulse or Credit Selection** buttons allow you to set the payout levels that provide the most convenience for your customers using either credit or credit & cash.
• **Easy to Service & Troubleshoot** with the EF+ Module provides error code information quickly and easily to pinpoint problems
• **Two Year Limited Warranty**
