

STANDARD CHANGE-MAKERS

# MODULAR SERIES

## REAR LOAD CHANGE MACHINES

### The Best Technology & Construction in a Low-Cost Solution

Standard Change-Makers introduces the Modular Series Change machine, a big step forward in changer technology. The Modular Series combines Standard's high quality cabinet and component construction with our Modular "Plug & Play" technology. All this in a low cost solution!

The Modular Series Simple Function technology allows programmability in the field without the use of any handheld device. All Modular Series machines have the Anti-Theft "Fast Vend Shut-Off" feature found on Standard's popular SC Series machines, that helps minimize loss due to stringing.

#### REAR LOAD MODULAR SERIES FEATURES:

**Bill Acceptor(s):** Coinco® Vantage (Default);  
*CPI® (Mars), Cashcode® & Pyramid® also available*

**Bill Stacker Capacity:** 500 Bills (Default);  
*700 & 1000 Bills Stackers also available*

**Hopper(s):** Galvanized Steel Construction with Tilting Base for easy Hopper Dump operation

**Hopper Capacity:**  
One Hopper Models: 3,200 Quarters (\$800)  
Two Hopper Models: 6,400 Quarters (\$1,600)
