

MCM100-CA

MODULAR "MINI" SERIES
Top Load - Countertop Model
COIN-to-COIN CHANGER

Standard introduces the "MINI" - a Countertop Changer that provides more convenience for your Customers

The **NEW** Modular MINI Series Change machine provides several convenient solutions in a low-cost, simple function changer. It is perfect for Countertop applications in Amusement, small Vending areas, and Bars that have arcade games, darts and billiard tables.

The MCM100-CA offers a steel cabinet with a keyed Cam Lock on the top lid that opens for easily replenishing. Additionally, the MCM100-CA features an electronic Coin Acceptor on the front face. The face of the cabinet can be pulled down for access to all internal components. The MC "Mini" Coin Hopper holds up to 1,600 Quarters (\$400), or Tokens, and can be tilted forward for full dumping operations.

The Modular "MINI" can be attached to a countertop, optional vending base or to side of a vending machine with special mounting bracket. You can also attach the plastic feet (supplied) and place it by a cash register or POS terminal. This versatile machine and can be used in a variety of applications to provide better convenience for your customers.

The MCM100-CA standard features include:

- ◆ NRI Electronic Coin Acceptor (Dollar Coins - Nickles) (Metal Coin Box holds up to 1,300 Quarters)
- ◆ One of Standard's Steel, MC Mini Coin Hoppers with *Smart Hopper* Technology (Capacity = \$400 or 1,600 quarters)
- ◆ Lexan Graphics with Black cabinet finish
- ◆ Cabinet constructed of 14-ga. Steel with hinged top lid & pull down front for easy access
- ◆ "Out of Service" Indicator light
- ◆ Simple Cam lock on top lid

Shown with optional T-handle Lock
