**NOTES CONCERNING FEATURES:**

- (1) Monitor most equipment in your Equipment Room, such as: Air Pressure, Water Pressure, Reclaim System, Automatic Wash Equipment, Entry Systems, Coin Changers, Chemical & Liquid Levels, Door Alarms, etc.
- (2) Wash Club Loyalty Program allows customers to register the last four digits of their credit card(s), birthday, e-mail or text message number via a web site devoted exclusively to your wash location. Once registered, the customer can be rewarded as you choose - such as free wash on every sixth visit, free birthday wash, Wash Club Day specials, etc.
- (3) With SitePRO Basic - you will monitor and pull reports for the activity of the Guardian XP Pay Station(s) only.
- (4) SitePRO tracks all cash and credit cards throughout the Car Wash to provide you with complete accountability of wash revenue.
- (5) Transaction data for single site stored on SitePRO Server. Central Reporting data stored on Central Computer, and can be stored indefinitely.

Small Business Owners agree that Reporting is the heart of your operation when you can't be there every day. The SitePRO Remote Management System provides complete accounting of your site operations - all cash and credit card accepted is tracked. SitePRO will generate several reports that allow you to track each bay separately, or compare one site against another site. Here are some examples of the types of reports the SitePRO Servers can generate:
