MODULAR SERIES

REAR LOAD CHANGE MACHINES

The Best Technology & Construction in a Low-Cost Solution

Standard Change-Makers introduces the Modular Series Change machine, a big step forward in changer technology. The Modular Series combines Standard's high quality cabinet and component construction with our Modular "Plug & Play" technology. All this in a low cost solution!

The Modular Series Simple Function technology allows programmability in the field without the use of any handheld device. All Modular Series machines have the Anti-Theft "Fast Vend Shut-Off" feature found on Standard's popular SC Series machines, that helps minimize loss due to stringing.
